

## **ELC Giant Sensory Ball Pit Instructions**

### **Unpacking**

1. Carefully unpack the contents of the box. Note the pop-up ball pit will expand quickly if not held firmly.
2. Untwist the pop-up pit and place on the floor upright.
3. Insert the foam supports into the vertical black and white striped seams. The opening is on the right-hand side at the top of the seam.
4. Put the balls inside the pit, then you are ready to play!

### **Putting Away**

1. Remove all the balls and store.
2. Remove the foam supports from their guides.
3. Flatten and grab the pop-up pit at opposite sides and pull together bending into a 'U' shape.
4. Cross your hands over at the top of the 'U'. The pop-up pit will have formed loops that can be collapsed together.
